Forever Clean - Additional Services

Thank you for contacting Forever Clean.

The information provided below explains additional services, including pricing structure and the processes that our operators follow.

This information can be applied to estimate the cost if additional services required.

Solar Panel &/or Skylight Clean:

Solar panels/skylights are scrubbed clean of dirt & lichen using medium brush and lightly hosed down (Cleaning Solution - Vinegar/detergent/algaecide). Recommend application between 3-5 years, dependent upon surrounding foliage/shelter

0-10: \$6.60/panel (plus GST) / 10-20: \$5.40/panel (plus GST) / 20+: \$4.80/panel (plus GST).

Rooftop Lichen application:

Lichen can build up on rooves, trap dirt, prevent proper drainage or create leaks into the roof. We apply detergent/ algaecide solution. Leave for lichen to absorb, works over time. For best results, application recommended during dry periods,

Application - \$54.65 (inc. GST. 1 application covers most medium sized houses)

Rooftop Branch removal/Gutter Repairs:

Should you have any branches impacting your roof or gutters, we are able to remove offending limbs. Tree limbs trimmed & placed in green waste. Gutters re-affixed with galvanised screws/ColorBond braces.

Surcharge - RTB \$24.95 (inc. GST). Repairs \$32.65 (inc. GST).

Silicone Repairs

Surcharge - \$3.20* (inc. GST) (*per silicone repair - Max Charge x 5 applications)(only applies to pre-existing conditions) .

Solar Panel Pigeon Proofing/Leaf guard

Solar panels provide energy for your home, solar panels can also provide shelter for pigeons. Your solar panels can be protected from pigeons & debris by attaching our aluminium mesh to base of your solar panels

\$22.45 - per panel (inc. GST). (applies to external panels only)
